

Contribution & QSub Election
(Drop & Check)

After the expiration of the transition period provided in paragraph (a)(5)(i) of this section, individual A, pursuant to a plan, contributes all of the outstanding stock of Y to his wholly owned S corporation, X, and immediately causes X to make a QSub election for Y. The transaction is a reorganization under section 368(a)(1)(D), assuming the other conditions for reorganization treatment (e.g., continuity of business enterprise) are satisfied. If the sum of the amount of liabilities of Y treated as assumed by X exceeds the total of the adjusted basis of the property of Y, then section 357(c) applies and such excess is considered as gain from the sale or exchange of a capital asset or of property which is not a capital asset, as the case may be.
