

Section 351 Exchange
With New Corporation

C owns a patent right worth \$25,000 and D owns a manufacturing plant worth \$75,000. C and D organize the R Corporation with an authorized capital stock of \$100,000. C transfers his patent right to the R Corporation for \$25,000 of its stock and D transfers his plant to the new corporation for \$75,000 of its stock. No gain or loss to C or D is recognized.
